10:05h-10:25h. Role of MRI in prostate cancer initial diagnosis. *TBC*

10:25h-10:45h. Morphologic features of high-risk prostate cancer: treatment implications. Dr. Eugenia Garcia

10:45h-11:15h. Q&A

11:15h-11:45h. Coffee break

11:45h-12:05h. High-risk biochemical relapse after radical prostatectomy: is there any established standard? Dr. Inmaculada Navarro

12:05h-12:25h. Advantages and pitfalls of molecular imaging. *TBC*

12:25h-12:45h. Geriatric comprehensive assessment (CGA) in prostate cancer patients. Dr. Raquel Ramirez

12:45h-13:15h. Q&A

13:15h-14:15h. Lunch

14:15h-14:35h. Liquid biopsy for prostate cancer research: anything promising? Dr. Angelo Gamez

14:35h-14:55h. Tissue-based biomarkers in prostate cancer. Dr. Lucia Trilla

14:55h-15:15h. Drug-drug interactions and patient adherence: two sides of the same coin? Dr. Javier Alvarez

15:15h-15:45h. Q&A

15:45h. Closure of Day 1

MAY 28th – DAY 2

9:30h. Welcome and introduction of Day 2. Dr. Álvaro Pinto

9:45h-10:05h. Metastatic castration sensitive prostate cancer (mCSPC). State of the art and future perspectives. Dr. Estefania Linares

10:05h-10:25h. Non-metastatic castration-resistant prostate cancer. (nmCRPC). State of the art and future perspectives. Dr. Emilio Ríos

10:25h-10:45h. Metastasis-directed therapy in oligometastatic prostate cancer. Dr. Elizabeth González

10:45h-11:15h. Q&A

11:15h-11:45h. Coffee break

11:45h-12:05h. PARP inhibitors for prostate cancer. Dr. Alvaro Pinto

12:05h-12:25h. Radiopharmaceuticals for prostate cancer. Dr. Jorge Pedregosa

12:25h-12:45h. Immunotherapy for prostate cancer. Dr. Alvaro Pinto

12:45h-13:15h. Q&A

13:15h-14:15h. Lunch and closure of Day 2

Faculty:

Dr.Emilio Ríos (Urology)

Dr.Estefanía Linares (Urology)

Dr.Inmaculada Navarro (Radiation Oncology)

Dr.Elizabeth Gonzalez (Radiation Oncology)

Dr.Raquel Ramírez (Geriatrics)

Dr.Javier Alvarez (Pharmacy)

Dr.Jorge Pedregosa (Medical Oncology)

Dr.Eugenia Garcia (Pathology)

Dr.Angelo Gamez (Molecular Biology)

Dr.Lucia Trilla (Molecular Biology)
