18:30 Closure of the day

19:30 Dinner

Saturday, 22nd November

CLL – PROGRAM DAY TWO

09:00 Introduction Day 2 - *Anna Panovska*

09:10-10:10 Plenary session

09:10-09:25 1st session: The new SoC of MCL - *Igor Aurer*

09:25-09:40 2nd session: Importance of Immune function in CLL - *Danijela Agic*

09:40-09:55 3rd session: Innovations and Next - Generation Therapies for CLL - *Lydia Scarfò*

09:55-10:10 Q&A - *All*

10:10-10:40 Coffee Break

10:40-11:40 3rd CLL Workshop session

11:40-12:00 Swap Break

12:00-13:00 4th CLL Workshop session

13:00-14:00 Lunch

CLL WORKSHOPS - EXPERTS SESSION

- How do I assess?

Patient Fitness: Key Considerations in CLL treatment

Carsten Utoft Niemann / Peter Fazarinc

- How do I manage?

Cardiologist view on CV comorbidities and their management

Nikola Bulj / Vasko Graklanov

- How do I treat?

Navigating FD Treatment Options for Patients with Comorbidities

Martin Trepel / Firas Farkaš

- How do I treat?

Selecting optimal therapies for FIT CLL patients

Alessandra Tedeschi / Robert Szasz

CLL Workshops

How do I assess?

**Carsten U. Niemann
Peter Fazarinc**

How do I manage?

**Nikola Bulj
Vasko Graklanov**

How do I treat?

**Martin Trepel
Firas Farkaš**

How do I treat?

**Alessandra Tedeschi
Robert Szasz**
